ABOUT ME

I am a motivated 2nd-year Computer Science Engineering student with strong programming fundamentals in C, Java, and Python, and a solid understanding of data structures and algorithms, and object-oriented programming principles. I am actively upskilling in full stack development and database management systems, with a focus on writing clean, efficient, and scalable code. Driven by problem-solving and continuous learning, I aspire to contribute effectively to real-world software solutions in a dynamic, technology-driven environment.

EDUCATION

LakiReddy Bali Reddy College of Engineering ,Mylavaram Bachelor of Technology(B. Tech) in Computer Science Engineering	CGPA:9.1	2024-2028
NRI Junior College Intermediate(MPC)	92.8%	2022-2024
DAV Public School Secondary School Certificate(SSc)	92.1%	2010-2022

TECHNICAL SKILL

Programming Languages

- C
- Java
- Python

Core Computer Science Concepts

- Data Structures and Algorithms
- Object-Oriented Programming (OOP)
- Problem Solving and Logical Reasoning

Web Technologies

- Full Stack Development

Database Systems

- Database Management Systems (DBMS)

CERTIFICATIONS

- The Joy of Computing Using Python – IIT Madras (NPTEL)
- Python Foundation Certification – Infosys Springboard

STRENGTHS

- Strong problem-solving and logical reasoning abilities
- Good communication and team collaboration skills
- Strong analytical and debugging skills
- Quick learner with adaptability to new technologies
- Good understanding of programming fundamentals

CAREER OBJECTIVE

Motivated 2nd-year Computer Science Engineering student seeking an internship to apply strong programming fundamentals in C, Java, and Python, enhance problem-solving skills, and gain hands-on experience in building scalable, real-world applications.

DECLARATION

I hereby declare that the information provided above is true and accurate to the best of my knowledge and belief.
